Excluded from this three (3) year warranty are axles, electrical, plumbing, windows, doors, sealant, paint, undercoating, and fiberglass parts, which are warranted for a one (1) year period from the date of purchase by the original purchaser.

**Excluded From Warranty:**

Warrantor is not responsible for claims related to: (1) defacing, scratches, dents, chips, or tears, on any surface not caused by warrantor, (2) routine maintenance, (3) damage from unauthorized repairs, abuse, misuse, or neglect, (4) damage caused by improper hitch ball or tow hookup, (5) component parts covered by separate supplier warranty. **Specific Exclusion of Rust & Corrosion:**

Covered Wagon uses premium paint on all exposed steel on your trailer, including the undercarriage. However, no paint will last forever. And when the paint is diminished or gone, rust and corrosion of the steel is inevitable. If you wish to keep your trailer rust free, we recommend that as part of routine maintenance, you examine your trailer and apply black Rustoleum or a similar product to any place that has begun to rust. If you pull your trailer anywhere near salt water, or on roads salted for de-icing purposes, you should thoroughly rinse all steel metal parts, including the undercarriage. Our warranty does not cover rust or corrosion.

**Warrantor's Obligation:**

Warrantor shall elect to remedy defects in materials and workmanship caused by warrantor by repair, replacement or refund, if replacement or repair is possible. All defective products shall be delivered to warrantor's address above unless prior written approval is obtained from warrantor. Warrantor may select another qualified location for the repair to be completed. Warrantor will not be obligated, in any way, to pay for repairs made without specific approval. All costs incurred in shipping or delivery of products for warranty service shall be borne by purchaser. Warrantor shall remedy defects within a reasonable time, not to exceed sixty (60) days after delivery by purchaser.

**Purchaser's Obligation:**

Purchaser must notify warrantor of any defects within **fifteen (15)** days after it is, or should have been discovered. Purchaser must complete and return warranty card within **fifteen (15)** days of purchase to obtain warranty service. **Purchaser must pay all services, towing, and transportation charges incurred to obtain warranty service.** Readiness of use adjustments, such as making sure the tire lug nuts are secure, hitch ball size, and tire air pressure are responsibility of the purchaser. **Loading a trailer beyond the stated payload capacity (label on front L/H side of trailer) will void the trailer warranty. The original purchaser or warrantor's product and any person to whom the product is transferred, and to any person who is an intended user or beneficiary of the product shall not be entitled to recover from warrantor any consequential or incidental damages resulting from any product defects, including loss of trailer, revenue or other commercial loss, use of rental equipment or loss of time, and convenience.
